### **Job details**

#### **Pay**

- **From £30,000 a year**

#### **Job type**

- **Full-time**

#### **Location**

Malton

### **Full job description**

An opportunity has arisen to join our team, overseeing the day-to-day operations of a thriving agricultural and contracting business. Your role will encompass a wide range of tasks, including: -

- Handling all aspects of arable operations, using GPS-equipped tractors.
- Working primarily with livestock, including managing a suckler herd, fattening cattle, and pigs, with opportunities to assist with horses.
- Undertaking contracting work, such as arable operations and grass silage/haylage production.
- Maintaining and caring for farm machinery and equipment.
- Performing general farm and building maintenance tasks.

#### **What you will bring:**

- **Agricultural Experience:** Skilled in operating modern farm machinery with hands-on knowledge of livestock care and management.
- **Attention to Detail:** Strong ability to follow instructions and ensure tasks are completed accurately.
- **Organisational Skills:** Highly organised and self-motivated, able to manage time and tasks effectively.
- **Team Communication:** Strong communication skills for effective collaboration with team members.
- **Requirements:** UK driving license; PA1, PA2, and forklift certification preferred.
- **Adaptability:** Willingness to work extended hours as needed.

#### **What you can expect:**

Working with a strong team, involved with diverse range of tasks and opportunity for progression.

Competitive remuneration package dependence on experience.

For further information and to apply please submit your CV and we'll be in touch.
