Full job description

We currently have a vacancy for an enthusiastic and hard-working individual. Capable of working within a small team and able to use initiative, applicants should be motivated and have a genuine passion for farming and working on a traditional estate.

Croxton Park Estate is an organic farming estate dating back to the Domesday Book. It is situated 4 miles to the east of St Neots, Cambridgeshire and comprises a 500ac mixed organic farm with beef cattle and sheep, 150ac of mixed aged and species woodland used to supply a biomass district heating system, 12 acres of formal gardens and a number of rental properties.

We are looking for someone to work across the estate assisting the farm manager undertaking farm and general estate work.

Responsibilities include:

Assisting the farm manager with general farm tasks relating to livestock husbandry, grassland management and limited arable operations.

Assisting with the day-to-day care of a pedigree Beef Shorthorn suckler herd and small flock of sheep.

Undertake general estate work such as fencing maintenance and repairs, woodland and hedgerow management, road maintenance, rental property repairs and biomass boiler maintenance.

Qualifications / experience:

Formal qualification preferable

A number of years experience working in a farming or estate context, preferably with livestock and with responsibility for maintaining machinery

Telehandler certificate

B+E trailer licence

Chainsaw certificate

Salary based on experience. Accommodation is potentially available, and more details will be available upon application.

Short-listed candidates will be invited for interview. This is a full-time permanent position.

Job Types: Full-time, Permanent
