

Rural Work Experience

Cambridge

Are you considering a career as a Rural Surveyor and looking to gain hands-on experience in a leading property consultancy?

Bidwells' Rural Department is offering a Summer Work Experience Programme for prospective Rural candidates based at our **Cambridge** Head office during **July/August 2025**.

Why join our Summer Work Experience Scheme?

This programme is designed to give aspiring rural surveyors a first-hand insight into life at Bidwells, helping you decide if this is the right career path for you.

Over the course of **two weeks**, you'll experience the diverse and varied nature of rural surveying, working alongside industry professionals and gaining exposure to real-world projects.

What will you be doing?

Throughout the week, you'll shadow experienced professionals and get involved in a variety of rural surveying specialisms, including:

- Rural & Estate Management
- Property & Land Management
- Rural Agency & Investment
- Diversification & Development Projects
- Agricultural Land & Tenancy Management
- Valuation & Consultancy Services

This experience will give you valuable industry knowledge and help strengthen your understanding of rural surveying before applying for graduate roles.

Who should apply?

We're looking for enthusiastic and motivated students who are keen to explore a career in rural surveying.

- You should be studying (or have studied) a **RICS-accredited Rural degree**.
- We welcome applications from **students at any stage of university**, particularly those looking to apply for our **Rural Graduate Scheme** the following year.
- If you have a passion for the **countryside, land, and property management**, this opportunity is for you!
- We recommend including details of your **qualifications, work experience, hobbies, and achievements** on your CV to support your application.

How do I apply?

Apply via our online application form and upload your CV by **28th March 2025**.

What happens next?

- Applications will be reviewed by our Talent Team.
- Shortlisted candidates may be invited to a brief telephone or video interview.
- Successful applicants will be notified of their placement location and further details.

This is a fantastic opportunity to gain valuable industry insight, develop key skills, and boost your future career prospects.
