

Harvest Worker - G.W Topham and Son

Covering 4000ha of combinable crops across multiple sites. The role is temporary, based in Eltisley, Cambridgeshire and the surrounding land. Standard hours will be 7am to 4pm Monday to Friday. During the harvest there will be the possibility of longer working days, potentially a 7 day working week. This will be dictated & determined by workload & weather conditions during the harvest period.

Key Duties and Responsibilities:

- Daily maintenance checks
- Tractor & Trailer work - Modern Fendt & Valtra tractors with Stewart grain trailers.
- To work in accordance with our maintenance and health & safety procedures
- Potentially some post-harvest fieldwork & cultivations

Skills and qualifications:

- Full clean driving licence
- Telehandler ticket (Desirable but not essential)
- Aged 18+

Person specification:

- Highly motivated
- Good experience of safely operating tractors, trailers and arable equipment
- Previous harvest experience preferable
- Ability to work in a fast paced environment
- Excellent timekeeping

Provided:

- Excellent accommodation (Barn Conversion)
- Training will be provided

Start date: Early/Mid July 2025

Closing Date: 12th June 2025

To apply a short covering letter accompanied with a CV will be required and to be emailed to – careers@gwtopham.co.uk
