

Graduate Farm Business Manager – M R TIZZARD LTD

We are looking for a graduate farm business manager to work with our family management team involved with running all aspects of our multi-site dairy farming business. Please note this is a year maternity cover role with potential for continuation.

The key job roles will include:

- Involved in running our farm office & administration
- Working with our dairy managers to monitor dairy performance and costings
- Working with our management team budgeting and monitoring financial performance.

M R Tizzard Ltd is a large forward thinking Organic dairy business involved with 7 block calving grazing dairies, mainly based near Sherborne, Dorset. The dairies supply milk on premium contracts, to Arla & Mcdonalds. We also grow cereals with most contracting operations under taken in house.

The business has expanded steadily over the past thirty years and has a track record of growing people within our team.

The ideal candidate would be enthusiastic and self-motivated with a keen interest in dairy. Will need to be computer literate and have good communication skills at all levels. Training & support will be provided from our existing team to help the candidate grow in the role with further responsibility offered as experience allows.

The role is full time and would be based in our office at North Wootton Farm, DT9 5JW, but is varied with regular visits to the dairies and off farm meetings & workshops.

We offer a competitive remuneration package based on candidates skills and experience.

If you wish to apply or have a discussion in confidence please send your CV to Will Tizzard at wiltizzard@googlemail.com or call 07969152917. Closing date 2/6/25
