

EGG-TO-PEG CAREER PATH WITH BETTWS HALL

We have an exciting opportunity for a driven and enthusiastic rural person to embark on The Bettws Hall 'Egg-to-Peg' career path, encompassing all aspects of our hatchery, game farm, estate management and shooting departments.

This is an exceptional opportunity to become integral into a highly respected market-leading company.

THE CONCEPT

You won't just see **what** we do; you'll understand **why** we do it to the **very best standards**.

You will experience all aspects of our business, building a comprehensive foundation of knowledge which will involve an exciting array of duties taking you from the office to the hatchery, out to the rearing fields and estates, and even to local, national, and international shows.

With an enthusiastic approach to learning, you'll be given the unique opportunity to truly grasp the principles behind our success.

AN INTEGRAL POSITION

After 12 months (or prior), we will discuss with you to identify the ideal route for you to progress within the company and continue to grow and excel.

ALUMNI

Our alumni have gone on to achieve remarkable success within Bettws Hall, including Sales Directors, Head Keepers, Shoot Hosts and Hatchery Management.

THE ROLE

July - Sept | Working directly with our estates, keepers and game farm teams, you'll gain first-hand experience understanding exactly how we rear and produce the highest quality chicks and poults.

Oct - Jan | We have a renowned reputation in delivering exceptional shoot days on our six prestigious estates. To learn why, you will experience working in our gunroom and sporting shop as well as loading and beating out in the field, seeing the process 'behind-the-line'.

Feb - Apr | Our sales extend worldwide. You will be working alongside both our game farm and shoot sales teams to assist with bookings and attending trade shows.

May - June | Experience the incredible beginnings of our 'Egg-to-Peg' journey. You'll be deeply involved with our cutting-edge hatchery, following the meticulous process of setting eggs, assisting with hatching, and planning nationwide delivery of our quality chicks.
