

Farming Partnership Opportunity: Joint Venture on 225ha

This is an exciting opportunity to partner in a joint venture on a 225ha livestock farm on the Welsh borders.

The farm has well-established infrastructure and buildings, houses, woodland and water for environmental income.

We are looking for a long term partnership to bring fresh energy and ideas with a strong emphasis on quality livestock, grassland, and environmental management.

About the Farm:

- 225ha single block
- Farmyard at 220m above sea level
- Mixed farming history: sheep, cattle and cereal crops
- Good roads and fencing throughout
- Livestock housing facilities are functional but require updating
- Located on the mid-Wales borders

About the Opportunity:

A joint venture partnership for a sheep and cattle system with flexibility to scale to requirements.

This is an exciting opportunity to invest in a farming business and benefit from profit and capital gain.

Accommodation is available if required.

What We're Looking For:

- Interest in commercial livestock (sheep/cattle) production
- Good understanding of agriculture and livestock science
- Strong grassland management skills
- Commitment to high standards of animal welfare and environmental management
- Understanding of selling and downstream commercial aspects of meat production
- Commitment to developing an enterprise
- Ideally, at least 5 years of farming experience and/or agricultural study
