

Corteva Agriscience™, with over 20,000 team members from 130 countries, innovating in 140 world class R&D facilities, have the resources, leadership heritage and partner ecosystem to make a meaningful impact now and into the future.

Corteva welcomes talented and motivated individuals to join our **Internship Programme**, designed to advance your career and give you an opportunity to contribute to Corteva's mission. We are committed to diversity and encourage applications from all qualified candidates. You can truly be yourself and belong, share inspiration, embrace new opportunities, thrive, and make a real difference. This is an amazing opportunity to work with our qualified employees within a stable and dynamic working environment that values ethics above anything else.

#### Growing What Matters Starts with you...What Can We Offer To Help You Grow?

- Gain a good understanding of our mission, business model, and day-to-day operations.
- Expand your work experience with meaningful assignments and projects.
- Develop your existing skills and learn new ones that will be useful for your career.
- Work in a dynamic and multicultural environment that will help you broaden your professional network

#### You Will Be Part of a Growing Team

As a Corteva Intern, you will get EMEA regional exposure and interact with other interns in the region. The main goal is to provide you with quality learning experience.

As **Commercial Intern** you will have exposure to the sales, marketing, and technical functions at Corteva working alongside our Sales and Marketing teams and Product Managers. Grassland and maize are cropping areas in which we have new technologies and seek market growth. Your focus will be on these areas of the business, and we will provide you with varying and dynamic projects and bring interaction with farmers, agronomists, and industry influencers.

#### Your Challenge:

- Help us shape and execute effective communication plans in support of new products.
- Engage with our customers to understand their challenges and opportunities and develop plans to address these.
- Analyze sales data to help develop commercial offers and strategies.
- Promote our sales support tools and marketing assets to selected audiences.
- Help our product promotional activity with support at demonstration trials.
- Use our Customer Relationship Management tools to support selling activities.

**Key Stakeholders and Interactions:**

Teamwork is a big part of life here, so you must be someone who loves taking a collaborative approach and who can recognize and acknowledge the contribution of others. You'll be able to motivate and inspire the people around you by bringing enthusiasm and positivity to everything you do.

**Location:**

This role can be home-based, ideally from the western regions of England, Wales, or Scotland, where most of our grass and maize customers are located. While it offers flexibility, the successful candidate will also need to spend time at our Cambridge office - particularly at the start of the assignment - and be comfortable with nationwide travel as business needs arise. All travel costs will be reimbursed as business expenses.

**Duration:**

12 months from the start date which will ideally be from November 2025 onwards

**To Grow What Matters You Will Need**

- You are currently enrolled in a recognized educational program - preferably in agriculture or a related field - leading to an undergraduate or postgraduate qualification. Alternatively, you may have completed your degree within the past twelve months at the time of application.
- Fluency in English, Corteva's working language, is essential.
- A solid foundational understanding of farming practices, agronomy, and/or pest management, with the ability to apply this knowledge in practical settings.
- Proactive, task-oriented, and personable, with a natural ability to engage effectively with colleagues and stakeholders.
- A UK driving license and able to travel around the country as needed.
- Good communication skills, and IT proficiency.
- Applicants must have the legal right to work in the United Kingdom at the time of application.

**Internship Application Process:**

If you meet the requirements, please submit your Resume/ CV to [Careers | Corteva](#). Applications close on the 30 September 2025.

**We look forward to your application-- Apply Now!**
