

ROYAL AGRICULTURAL UNIVERSITY – STUDENT/GRADUATE JOB VACANCY

To enable placements/vacancies to be advertised correctly please complete the following:

Name of Employer: Livetec Systems

Vacancy Type: Temporary work to help during Avian Influenza challenges

Full-time/Part time : Part time – depends on outbreak challenges

Start date:

Background: Since 2010, Livetec Systems has been working at the frontline of livestock health and welfare. Joining Livetec means stepping in during critical moments for UK farmers. You'll help protect livestock, support livelihoods, and maintain the resilience of the food supply chain. Seasonal work comes with practical support to make the role manageable:

- Travel expenses covered
- Hotels and meals provided during assignments
- Full training and supervision
- Very competitive pay rates

The Role: On-Site Operative

Purpose: support humane depopulation and field operations safely, professionally, and on time — always following biosecurity and safety protocols.

What you'll do

- **Assist on-site operations** as directed by the team lead.
- **Travel UK-wide;** stay in a pre-arranged hotel the night before each job.
- **Arrive punctually** on site for early starts (typically 06:00).
- **Support humane animal dispatch** under supervision.
- **Operate equipment** and strictly follow biosecurity & safety procedures.

Degree: N/A

Permanent/temporary: Temporary

Location: Located around UK depending on outbreak

Personal requirements:

What you'll bring

- **Responsible, reliable, punctual.**
- **Minimum age 18.**
- **Physically agile & fit;** able to work in challenging conditions.
- **PPE-ready:** comfortable wearing double disposable suits, full-face mask, and 3 pairs of gloves.
- **Helpful extras:** telehandler licence and first aid certification.
- **Positive, proactive, forward-thinking** attitude with a strong safety mindset.

Other requirements:**Salary/Package:**

Very competitive pay rates
