

HARVEST STUDENT RECRUITMENT PROGRAMME

JOB TITLE:

HARVEST STUDENT – ARABLE FARM PLACEMENT

Location: Various UK locations

Duration: Seasonal (typically July-October)

Reporting to: Business Owner / Farm Manager

Join the **Ceres Rural Harvest Student Recruitment Programme** – as a Harvest Student, you will support day-to-day operations on a working arable farm during the busy harvest period. This is a hands-on role ideal for students seeking practical experience in agriculture, with opportunities to learn about crop production, machinery operation, and farm logistics.

KEY RESPONSIBILITIES

- Assist with grain carting, trailer work, and general harvest logistics
- Provide support with cultivations and drilling when needed
- Carry out basic maintenance and cleaning of equipment
- Contribute to general farm tasks as required

WHAT WE OFFER

- Centralised induction day with health and safety training and First Aid certification
- Exposure to real-world harvest operations
- Opportunity to build connections for future roles in farm management and agronomy

REQUIREMENTS

- Experience: Farm work helpful but not essential; familiarity with machinery is a plus
- Skills: Reliable, hard-working, adaptable, safety-conscious, good communication and a team player
- Values: Positive attitude, willingness to learn, integrity, and professionalism
