Harvest - An Assistant for Mobile Seed Processing Service - 2026

Summer Work - Commencing **Mid-August – Mid October** – Approx

Once season commences – typically 7.30-6.30pm

(Standard Hrs 8.30-5.30 during build up)

Start date - 17th August

We operate up to **3 Mobile Seed Processors** that visit Farms Processing Farm Saved Seed – mostly within a 60mile radius of Gloucester.

Each machine has a Qualified Operator + An Assistant to carry out the work. Typically visiting 2-3 Farms per Day. You will be working with a Former RAU Student, who qualified 2 years ago - now is an experienced operator.

The Role – Helping the Qualified Operator on the farm to operate the Seed Processor. Drive our Van between Farms (Clean Driving Licence essential), Help Setting up, Handling Bulk Bags, Tidying Up & Packing Up on Farm.

You may also help with **Agricultural Supply Services** – our national business, when not on a Mobile Seed Processor.

Qualifications – A Practical Individual with Practical Farming Experience.

Location – Based from Windmill Barn – and working on customers farms.

Personal Requirements – A practical hard-working Individual, in good health.

Pay - £13.50/Hr –
