

**COMPANY: DUNBIA**

**REPORTING TO: Site Operations Manager**

**CONTRACT TYPE: Permanent Full Time**

**JOB TITLE: Graduate (Health Safety & Environmental)**

**LOCATION: Cross Hands**

Joining the company through the Graduate Programme will provide you with an opportunity to understand the business, build strong relationships, participate in continuous improvement projects and set career objectives, all of which are about preparing you for a leadership role, supporting the development of your skills and knowledge and helping you gain the necessary experience to ensure that you have a successful and fulfilling career within the Health Safety Environmental Department.

Our working environment is like no other. With strong family and entrepreneurial values at the heart of our corporate culture, we promote a social and relaxed feel to our offices, which is reflected in the open-planned layout. We make an effort to hold social events which we feel is an important part of building strong working relationships with colleagues ultimately leading to better communication between employees.

**The Role:**

This is an exciting opportunity to part of our Cross Hands family, based at our Dunbia site in Llanelli, Carmarthenshire.

As a Health Safety & Environmental Graduate, you will work as part of a dedicated, driven and supportive team, as your skills and knowledge develop over time, you will get involved in all aspects of Health Safety and Environmental within the business and your responsibility will increase.

As part of this exciting team you will gain a wide range of business skills, through continuous on the job development with coaching and mentoring. Your role will see you tackle a wide range of business challenges in a busy environment, some of your responsibilities will include:

- To complete specific Health and Safety related projects
- To liaise with external bodies on regulatory matters
- To maintain and improve ISO50001 Energy management system on site
- To maintain and improve ISO250002 Environmental management system on site
- To work with a continuous improvement mindset

**Our Brighter Futures Programme**

Our training and development schemes are unmatched, and not only will you be learning from fully trained and passionate individuals, but you will also receive:

- Dedicated mentor
- Direct access to senior leaders
- Opportunities to undertake assignments, secondments and innovative project work across the business
- Investment in blue chip residential offsite training
