

Dalcour Maclaren – Graduate Recruitment – 2021
Graduate Surveyor

Are you looking to join a fast-growing, innovative and caring organisation to kickstart an exciting career? Dalcour Maclaren offers great opportunities to work with well-known Utilities & Infrastructure firms whilst ensuring its people feel valued and recognised for the work they do.

Role: Graduate Surveyor

What you will do:

You'll be involved in some exciting projects from feasibility through to project completion, working with a growing team on project deliverables covering for example land acquisitions, property and asset management, valuations, compensation negotiation, compulsory purchase, development consent orders and managing land aspects during construction.

You will be enrolled onto our brand-new graduate training programme that includes, soft, commercial and technical skills training as well as support to help you achieve your chosen professional qualification (e.g. RICS).

What we're looking for:

Drive, professionalism and a positive, can-do attitude matter as much to us as your academic background, but we are especially interested to hear from you if you have studied one of these fields or similar:

Land/Rural Surveying | Property Surveying | Property Management | Land/Rural Management | Planning | Agriculture | Real Estate | Land Economy | Countryside Management | Geography

You'll stand out if you've got a background or genuine interest in farming, rural affairs or utilities & infrastructure

What we offer:

- Competitive salary
- 25 days annual leave + 1 extra day for your birthday + bank holidays
- Full graduate training programme and other development opportunities
- Flexible working arrangements
- Competitive pension plan
- Yearly bonus scheme
- Private healthcare
- Yearly Summer & Christmas celebrations

Locations: Oxfordshire, Gloucestershire, Kent, Norfolk, Nottinghamshire and Cheshire. See website for full details.

Closing date: Sunday 13th December 2020

Start date: September 2021 or earlier if you've already graduated

How to apply: Send your CV and cover letter to Marie at marie-ange.ehrhart@dalclourmaclaren.com, indicating what position you are interested in and your preferred location(s) if any.

Dalcour Maclaren is committed to equal opportunities for all. Dalcour Maclaren considers that this role does not meet the criteria to be considered within the Home Office Shortage Occupation List. Therefore, Dalcour Maclaren will not support an application for visa sponsorship and all applicants for this role must have an unrestricted right to work for an indefinite period in the UK.
