

Trainee Land Agents

GSC Grays 2021 Graduate Intake

GSC Grays is an independent firm of Chartered Surveyors, Land and Estate Agents operating predominantly within the North of England.

Due to the continued growth of the business, we are looking to recruit Rural Practice Surveyors to join our Estate Management, Sporting and Rural Land & Business department at our Colburn and Chester-le-Street Offices.

This is an excellent opportunity for graduate or placement students seeking a career within the rural sector whilst also making a meaningful contribution to the growth and development of an expanding business. Commitment and hard work will be rewarded.

The roles will be to work as part of a dynamic team and will require someone who is hard working and personable. You must be comfortable with a relatively high degree of autonomy and capable of completing work on time and to the highest of standards. The opportunities offer a mix of challenging and rewarding professional work on behalf of private clients which will encompass a broad range of competencies.

The successful candidates will be involved in the management of a diverse portfolio of rural estates as well as undertaking general professional work. The roles provide experience in Property Management, Landlord & Tenant, Valuation, Land Use & Diversification, Agriculture, Forestry, Access & Rights of Way and Purchase & Sale.

The company has a strong commitment to the training of its staff which will complement the broad experience offered.

The successful candidate is expected to have a mix of professional interests and a sound understanding of agriculture and the countryside.

To apply, please send a CV and a covering letter by email only to Lucinda Riddell MRICS FAAV ljr@gscgrays.co.uk
Please also include a short two to three minute video of yourself, including:

- o Introduce yourself
- o What attracts you to the role at GSC Grays
- o Why do you want to be a Land Agent
