Job Vacancy:

Great opportunity for enthusiastic, hardworking candidates to assist on our family farm in South Lincolnshire between March and November, specialising in daffodil and potato production.

Description:

- Work will be varied and include assisting with cultivations, irrigation and harvest (wheat, daffodils and potatoes)
- Experience of John Deere tractors is desirable, however, full training will be provided to enable you to become an integral part of the team
- Excellent rates of pay and accommodation provided

Applicants should send their CV (including mobile phone number) to [peter@fcravenandsons.com](mailto:peter@fcravenandsons.com)
