PARTNERS LLP**

TRAINEE INDEPENDENT AGRONOMIST

Crop Management Partners is currently seeking a keen, enthusiastic person with a passion for crop production and conservation to join our team as a trainee agronomist. We are an independent agronomy and conservation partnership operating in Southern UK. We are looking for a self-motivated person with excellent communication skills who has ideally worked within the agricultural industry and wants to give independent advice to farmers.

You will work alongside our team of experienced agronomists until you are able to successfully manage your own clients on behalf of the company. All training will be provided, backed up with external FACTS and BASIS courses.

In return for your commitment, we offer an excellent package including a competitive salary depending on ability and experience, attractive vehicle allowance and pension scheme.

Location: Wiltshire, Berkshire, Oxford area
