

## **ARABLE OPERATOR & GENERAL FARM WORKER**

RG May & Sons, East Wiltshire

An arable operator with experience of a range of tasks is required to join the team on a 950ha family run land based business incorporating a number of enterprises. The applicant should be prepared to have involvement in all areas of the business particularly taking responsibility for competently spraying the 400ha of arable land with a 24m trailed sprayer, granular fertilizer spreading, other field and general farm work including activities on 550ha of extensively managed grassland, and playing an active role in the intake, outload and instore monitoring of the commercial grain store.

The successful candidate will preferably hold a full UK driving licence, PA1, 2 & 4S, telehandler certificate, have an understanding of precision farming and be comfortable with the increasing levels of IT in agriculture. Enthusiasm, attention to detail, the ability to move in to the on-site property and a willingness to work unsociable hours at peak times is essential. Training available as required.

Competitive remuneration is offered including a 3 bedroom house with substantial garden on advantageous terms.

If you have great attention to detail and pride in your work then email your CV and covering letter, in confidence to [rgmaysons@hotmail.com](mailto:rgmaysons@hotmail.com)
