

SUMMER HARVEST JOBS

RG May & Sons are looking for 2 summer employees with some practical arable harvest experience to come and spend the summer working on our 2,600 acre diversified farming business in East Wiltshire.

There is good quality accommodation on site. The role includes a variety of tasks throughout the period July – September.

Ideally some experience, but on-task training will be available. A full clean driving licence is essential.

To apply please email your CV to rgmaysons@hotmail.com or contact Charles May on 07970 759891 for further details.
