

**Company:** Giles Wheeler-Bennett (GWB).  
**Location:** Bishop's Waltham, Nr. Winchester, Hampshire  
**Closing date:** 30<sup>th</sup> April 2021

**About Us:**

Giles Wheeler-Bennett Chartered Surveyors, Land & Property Agents (GWB) is an established and progressive multi-disciplined land agency company practising throughout Hampshire and the surrounding counties, operating from a single office in the historic market town of Bishop's Waltham between Winchester and Southampton. We specialise in all aspects of rural property management and advice, acting for a wide range of clients from private individuals to utility companies.

Our growing and increasingly diverse workload has created an exciting opportunity for a graduate surveyor to join the team.

We have a proven track record of previous candidates successfully passing both RICS and CAAV exams in recent years and the breadth of work that we undertake will also be of benefit to a student approaching their final year.

We are offering the potential to establish yourself as a key player with an expectation to qualify as a Rural Chartered Surveyor with the ability in time to win work in your own right and ultimately contribute to the growth of the firm.

**Job description:**

Offering experience in a wide range of rural practice work, the position would suit an enthusiastic and hard-working individual who is ultimately looking to become fully qualified (RICS and CAAV) and progress their career.

The role will primarily be assisting all surveyors, each having a varied workload to provide you with the best possible experience. This will involve attending site meetings with clients with a colleague or independently. You will be responsible for managing your own time within the team.

The successful candidate will be involved in projects such as; sales, lettings, planning, development, infrastructure (Inc. renewables), grants and estate management.

**The ideal candidate:**

- A graduate in either rural estate management or a relevant RICS accredited degree.
- Has an eagerness to learn and the ability to work as part of close team and independently.
- Self-motivated, well presented, good communicator, computer literate and preferably with experience in mapping software such as Promap.
- Likely to be out of the office a good proportion of your time, therefore holding a full driving licence and use of a vehicle is essential.
- Available to start Summer 2021.

To apply for the role please send a CV and cover letter to Paul Harris MRICS FAAV at [paul@gileswheeler-bennett.co.uk](mailto:paul@gileswheeler-bennett.co.uk)
