

**Company:**

Acland Bracewell

**Location:**

Lancashire

**Opportunity**

We are seeking to appoint a Graduate Surveyor into our established Rural Estates, Planning and Development team in Lancashire. This is an exciting opportunity, which will also involve assisting in the management of landed estates in Lancashire and Greater Manchester, and other professional work including landlord & tenant, planning applications, valuation and compensation claims across the North West.

**About You**

You must be well organised, have a commercial outlook, work on your own or as part of a Rural Estates, Planning and Development team. If you have an aptitude towards planning and development and estate management, this role is full of opportunity to develop personally and professionally.

**Who We Are**

Established in 1958, Acland Bracewell remains so today a family-owned practice. Founded on the traditions of landed estate management, we have developed into a modern forward-thinking practice of Chartered Surveyors, Town Planners, Land Agents and Property Consultants.

**What do I need to demonstrate?**

You will have an RICS or RTPI accredited degree (or working towards completing). This position offers excellent progression and development opportunities, including training towards APC and CAAV qualification.

**Why work at Acland Bracewell:**

We offer a highly competitive rewards package. Salary up to £25,000 per annum.

The position is available with immediate effect or post qualification in the 2021 academic year, and applicants are invited to submit their CV's for the position, which has a closing date of 7<sup>th</sup> July 2021.
