## Junior Project Manager

April/May 2021

White Horse Energy is an e-commerce supplier of wood pellets, kiln dried firewood, wood briquettes, natural firelighters and charcoal to customers throughout the UK. We are one of the largest companies within our market and have grown into the fast-moving business that we are today through a combination of hard work, quality products and innovation.

Our business is experiencing a period of substantial growth, both because of new markets developing from recent lifestyle changes and logistical and supply chain efficiencies. As a result, we are looking to develop a new position and take on a Junior Project Manager to work for the Managing Director and Head of Sales and Operations, to help bring to market many of the business opportunities that we uncover.

This role will be well suited to a recent graduate with limited office experience, but strong entrepreneurial yearnings and a well organised and structured manner.

### Key Tasks

Develop robust model to assess proof of concept and market potential for new product ideas

Seek out and engage with new suppliers

Model and test new products and designs

Build and own project plans

Work with sales and marketing to present products

Actively seek feedback and analyse success

### Key Skills and Attributes

Open minded to new ideas with entrepreneurial flair

Enthusiastic and hard working

Self-starter, working from own initiative

Creative and imaginative

High level of IT skills

High level of academic qualifications

Experience of project management

Salary: £23,000.00-£25,000.00 per year

Closing date: Wednesday 11<sup>th</sup> May 2021, desired start date June 2021
