

Apprentice/Trainee Gardener, Cirencester

Part-time to full-time / Temporary and permanent positions currently available

We are looking to recruit an apprentice gardener to work with our small team for an established gardening/landscaping company in Cirencester. We provide a bespoke gardening service to clients on a daily basis Monday to Friday, maintaining a high number of gardens in and around Cirencester.

This position would either suit an experienced gardener/landscaper looking for a permanent position, or a candidate who is interested in gardening and can offer some relevant experience - based on a temporary to possible permanent position.

Working initially under supervision, you will be given training and undertake an interesting range of gardening/landscaping duties to a high standard. There will be some interaction with our clients, therefore a personable nature is important. You must be a driver and be flexible with your availability. Part-time basis (days to discuss).

The role involves many aspects of gardening, including:

- Cutting back, pruning and shaping
- Planting and transplanting
- Weeding and defining beds and borders
- New and raised beds
- Garden clearance through to transformation
- Re-training and supporting climbers
- Mulching
- Hedge cutting incl. long pole hedge cutting
- Strimming, mowing and edging
- Ladder work
- Garden machinery maintenance
- Erecting tree supports
- Pressure washing and re-pointing

Desired skills:

- Knowledge/Interest in gardening and landscaping
- Customer service experience
- Good communicator

Personal qualities:

- Reliable and hard working with stamina
- Responsible and personable
- A can do attitude with a keen willingness to learn
- Physically fit as you will be very active
- Ability to take instructions

Desired qualifications:

4 x GCSE's and upwards

Transport

Driver with own transport is essential

Hours

Weekdays, flexible hours to discuss.

Pay: Decent rate of pay, to discuss (pay weekly in arrears)
