

Bartender

- Fixed contract hours (VISA terms must be adhered to if applicable) or Hourly Casual posts available
- Fantastic creative opportunities

The Tithe Bar is looking for **Bartenders** to join our beautiful **new team**.

We are not a typical high street bar, set in a beautiful property that caters both for students and the public. There is a **main bar and several satellite bars** that can be utilised, depending on events taking place. Conference & Banqueting as well as other events are back on the rise too!

Unlike most universities, the bars are not student run, these are commercially run, which means a lot **more freedom and creativity** for all involved and variety of events.

As one of our Bartenders, you will be the face of the bar and will have an **award-winning smile** and **welcoming personality** to match. A bar is not a place to just drink, it is a **showground to entertain** and **build lasting relationships** to see your guests return repeatedly.

You will be committed to promoting an **encouraging, fun and vibrant atmosphere**, whilst at the same time having the ability to switch things up for special events such as weddings.

As our Bartender, you will play a **pivotal role** in providing support to the Bar Management team and keeping things moving smoothly.

We use local beers, ciders and wines, including our from our own award-winning **vineyard**. As well, as a range of student enterprise beers, and gin that we produce.

PERKS

- 30 days holiday + bank holidays (pro rata – fixed term)
- Free flu jabs & eye tests
- Uniform provided
- Financial and legal advice services free

Full training will be provided so experience isn't necessary but desirable. If you believe you can deliver **impeccable customer service** then it would be great to hear from you.
