

2022 Graduate Recruitment

Ever thought of a career in property or surveying?

Fisher German are a leading national firm of UK Property Consultants and Chartered Surveyors, with 600 people across 26 offices, offering a wide range of property services in all 6 key property sectors: Rural, Commercial, Residential, Infrastructure Services, Development and Sustainable Energy.

The company has a history going back as far as 1830 but that doesn't mean we are behind the times! Sporting Events, Pop Up Bars, Charity Events, Dress Down Days, BBQs, Parties, CPD Events. We work hard but we also have lots of fun!

You can find out more about the business at <https://www.fishergerman.co.uk/> or by following us on [Twitter](#), [LinkedIn](#) and [Facebook](#).

What would I be doing?

We are looking to recruit a number of individuals into the following roles:

Graduate Surveyors

- Rural (valuations, property agency, landlord and tenant matters and estate management)
- Infrastructure Services (land access, negotiation of rights, project and stakeholder management)
- Planning and Development (planning applications and appeals, strategy formulation and plan promotion)
- Commercial (valuations, property agency and property management)

Building Surveyors

Building surveying and consultancy, project management, regulations and statutory matters across all sectors.

Graduate Planners

Land planning strategy advice, development and general practice across all our sectors.

Is it for me?

We are more than happy to teach you all the technical skills you need, it is your personal attributes and commitment to the role that are key. The ideal candidate will:

- Be a graduate from any degree subject with a good academic track record (except for Graduate Building Surveyors, who must have a RICS-accredited Building Surveying or Construction Management degree).
- Have a keen interest in property and/or rural affairs
- Be an excellent and clear communicator – both verbal and written
- Adopt a consultative approach, able to identify and solve problems
- Have an exceptional eye for detail
- Have the ability to work on multiple projects and tasks at any one time, working in a way that is highly agile and responsive to rapidly changing client and site requirements

- Be committed to continue your studies in order to become chartered with RICS (Surveyors) or RTPI (Planners)
- Have access to transport, or be willing to do so by the time you start work, as you will be required to travel to client sites often in out-of-town locations
- You will often be on site in all weathers, travelling across the region or further afield and working outside of the normal 9-5 when required.

What are all the practical details?
