

## TRAINEE RURAL SURVEYOR

Clarke and Simpson was formed in 1990; we are an independent and multi-disciplined firm providing the most comprehensive range of agricultural and rural services, estate agency, chattel and machinery auctions and estate management.

We are seeking to appoint an additional Trainee Rural Surveyor to join and assist our rural team based in our busy Framlingham office. The role will mainly cover agricultural professional, residential and rural property types and involve valuation, compensation and agency work.

The successful candidate will have interest and experience in a wide range of rural consultancy matters such as environmental stewardship, rural business advice, landlord and tenant matters, valuation, planning and utilities, and other diverse areas of work. As well as working on existing instructions you will have an opportunity to get involved in identifying, securing and delivering new business opportunities.

This is a fantastic opportunity to be part of, and contribute to, the ongoing success of a thriving independent and multi-disciplined firm with the following skills:

- CAAV/RICS qualified (or working towards) with demonstrable relevant experience and interest in rural and agricultural property matters.
- Capable of building and maintaining good relationships with clients and providing recommendations based on technical knowledge and experience.
- Happy to work in a diverse and challenging environment and, at times, under pressure.
- An aptitude for clear and lateral thinking.
- An ability to work in a clear and logical fashion with good organisational skills.
- Have proficient IT skills, particularly in the use of Microsoft Office supporting the ability to work on your own initiative and to develop an understanding of the use of digital mapping systems to support the team in the provision of plans etc.
- Have a current driving licence.

The position offers excellent career prospects for the right candidate. The package offered will be competitive and commensurate with experience.
