

Role Profile

"Creating a better future for our farming members."

Job title	Graduate Trainee (Agricultural Policy)
Reports to	Placement Manager as per Graduate placement/programme and HR representative
Department	The programme will involve working in a variety of departments
Location	Stoneleigh/Various
Grade	£24,500 per annum

Main purpose of the job

- To aid the development of agricultural and food policy work on specific projects across NFU offices in England, Wales and potentially Brussels lasting between 3 to 6 months duration

Reporting Lines

- There are no direct reports for this role

Responsibilities

- Work at NFU HQ and NFU regional offices, alongside industry experts to deliver challenging projects across the NFU. These projects could range from cross-sector topics such as environment to food safety, animal welfare to tenancies, or through a particular sector commodity such as arable, dairy, horticulture etc..
- Liaison with NFU members (farmers and growers) including senior elected office holders and board members as part of the project
- Develop your own networks, make presentations and produce clear and succinct reports for a variety of audiences.
- This job description will develop to meet the needs of the NFU and any additional duties will be commensurate with the post holder's grade.

Person Specification
