Job Description:

Graduate Agricultural Business Consultant

Job Title	Agricultural Business Consultant
Level	Graduate level
Description	Graduates in Brown and Co have a unique opportunity to experience and work across the many disciplines in the agriculture sector and to build individual specialisms. Candidates will have a strong degree level qualification, combined with an agricultural background and/or related rural business experience. These positions will provide the opportunity to support and work within teams of experienced consultants across a variety of project areas.
Department	ABC – Agri-Business Consultancy
Location	Either Banbury, Brigg, Bury St Edmunds, Grantham, King's Lynn, Melton Mowbray, Norwich or Wyboston.
Reports to	The Partner responsible for ABC in that office.
Tasks Covered	Over your first two years you will shadow colleagues and learn about a vast array of agricultural business consultancy initiatives:

- Farm Business Management
- Contract Farming and Joint Venture Scheme
- BPS and Compliance
- Environmental
- Business Administration
- Professional Services

Experience	A rural background would be an advantage but not necessary.
Qualifications	Preferably an agricultural/rural focussed degree or Masters.
Skills & Knowledge	All graduates, in all disciplines, undertake a 2-year in house training course covering discipline-focussed elements along with learning core business skills, such as managing people, presentation skills to name a few.
