Successful applicants will be motivated, focussed and work well in a team.

The role will involve:

- On-the-ground management and consultancy work
- Client-facing meetings
- Tenant and contractor liaison
- Assisting management, consultancy and strategy work for Directors and Associates
- Working with Associate and Estate Administrator on a day-to-day basis
- Involvement in technology, strategy and business performance
- Diversification projects
- Agricultural, residential, industrial lease management and rent reviews
- Leisure and Tourism business planning
- Strategic development assessments
- Estate Management Systems and Resources
- Business appraisal

Competitive Starter Salary.

Career growth, RICS APC Rural Pathway guidance and business mentoring guaranteed.
