

## Main Camp Natural Extracts Pty Ltd, NSW, Australia Summer Work Opportunities 2022

We are an agricultural company based in New South Wales, on the east coast of Australia. The information about our company can be found on our website: [www.mcne.com.au](http://www.mcne.com.au).

Our main focus is tea tree crops, producing tea tree oil at our over 10,000-acre farm and we recruit seasonal farmhands to help harvest from June to September each year. This year, we would like to invite students studying agriculture from the United Kingdom to our beautiful farm to help harvest and put their treasured knowledge into practice.

### **Work duration & wage payment:**

- The work is during our tea tree harvest season, which runs from 1 June to 30 September (inclusive).
- The daily work duration will be around 8 to 10 hours.
- Students would be hired as casual employees under **Horticultural Award** in Australia. This is likely to mean that the worker receives \$20AUD - \$25AUD per hour, depending on their experience and age.

### **Accommodation:**

- On-site accommodation would be provided at a nominal cost of \$100AUD per week per person. Accommodation includes all power/ water, but students need to provide their own meals.
- Accommodation is located on the 10,000-acre farm and is a basic donga.

### **Additional skills are welcome:**

- Basic tractor driving skills are essential, and other farming experience will be looked on favourably.

### **Visa and travelling:**

- Students need to apply for their own visas to travel to Australia, and at their own expenses, Main Camp (Our company) can provide support letters to the Australian Department of Home Affairs and Migration (the department that issues visas) if required.
- Students need to afford their travelling costs between the UK and Australia.

### **COVID-19 / Self-insolation:**

The current requirement for overseas travellers from the New South Wales government is:

- *Oversea travellers must go straight to their home or accommodation take a COVID-19 rapid antigen test*
- *Self-isolate until getting a negative test result*
- *Take another rapid antigen test on or after day 6*

Our company will provide extra donga for the students to self-insolate before getting their test results. And if there are any regulation updates about COVID, we will inform the candidates on time.

Students who are interested in this position should email their CV or any resume details to Rina Zhang [xzhang@mcne.com.au](mailto:xzhang@mcne.com.au) - please include a contact phone number or email address.
