

Root and Arable Farm – East Suffolk

Looking to gain valuable hands-on experience during your summer holidays? Here is the opportunity for you to do just that in the beautiful Suffolk countryside!

We are a progressive farming business using modern machinery and production techniques to grow cereals, peas, onions and potatoes across 1200Ha close to the coast in East Suffolk. We have temporary positions available for experienced tractor drivers to join our team in June or July through to completion in October or the start of your next term.

Your main duties will involve irrigation using Bauer, Briggs and Perrot reels, potato, onion and cereal harvest operations and carting, as well as Autumn cultivations using John Deere and Fendt tractors. A willingness to work as part of a dynamic, positive team and a conscientious attitude is essential. Teleporter and or forklift certificates are advantageous but not necessary for all positions.

Good rates of pay and a high standard of accommodation offered.
