

Summer work opportunities

Leighton Buzzard, Cardiff, or Manchester

Since the first Connells branch in Luton opened its doors for business in 1936, the company has risen to become one of the largest and most successful estate agency groups in the UK with a network of around 180 branches across the country. Connells is one of the country's largest sellers of new homes acting on behalf of some of the top UK developers as well as many more regional and local housebuilders.

As well as residential sales and mortgage services, the Connells Group includes Connells Asset Management, the country's foremost property asset manager, Connells Land & Planning, one of the leading agencies in the acquisition and disposal of land, Connells Survey & Valuation, one of the largest panel management and survey organisations in the country and Connells Home Conveyancing, offering an innovative approach to conveyancing that operates long hours, 7 days a week.

The job:

- 3 month contract – July to September (earlier start date considered)
- Working hours Mon-Fri 9.00 to 5.30: 37.5 hours per week
- Working in a customer services role 4 days per week, shadowing an MRICS surveyor one day per week
- Home or office based (offices in Leighton Buzzard, Cardiff and Manchester)
- Customer service experience preferred but not essential - all training (and IT kit) will be provided. National minimum wage paid

The opportunity:

- Work experience with a leading national provider of property services
- Ideal for those considering a future career in residential surveying
- Includes hands-on experience of surveying with experienced professionals in your area
- Initial summer 2022 contract, with the possibility of future holiday work, based around the academic year
- Holiday income

Who we are looking for:

- People who are interested in becoming residential RICS accredited surveyors
- Positive and friendly individuals, good communication skills
- Good time management and organisation skills
- IT literate
- Full driving licence, own transport (for driving to and from property surveys)
