

TRAINEE ACCOUNTANT 2022 AAT/ACA/ACCA

Agricultural Trainee Accountant

Albert Goodman is a firm of Chartered Accountants, Tax Consultants and Financial Planners, providing high-quality advice to over 5000 local and national businesses and individuals. We are proud that we are a Best Companies 2021 “Outstanding Place to Work”, top 50 employer in the South West, and accountancy’s 3rd best firm to work for. Our people are vital to our continued success and we are always looking to train and develop individuals who could be our future partners and leaders.

We are looking for a Trainee Accountant to join us in our Farms and Estates department which is an enthusiastic and hardworking team. Although an agricultural background is not essential, a passion and interest in agriculture would be an advantage.

Training to become a qualified accountant is a rewarding and challenging career and can open up a whole host of opportunities for you. Albert Goodman is looking to train and develop people who could be our future partners and leaders. A number of our senior managers and partners started their career as a trainee with us and have stayed with us throughout their working life. We look for candidates with drive and enthusiasm who can demonstrate a strong academic track record.

Whilst our main intake is in the summer each year, we take people at most times. We offer excellent support and training that will help you develop the skills you need to succeed as a professional and to progress until you realise your full potential.

We provide and fund:

- Technical training with recognised training providers
- Tuition/Revision courses
- Student registration fees
- Annual student subscriptions
- Books and materials
- Exemption/examination entry fees
- Paid study leave for courses and exams
- Accommodation if a stay away is required

Qualifications Required

To achieve the qualification and to consistently give the best and most up to date advice to clients, you will need to be competent at studying and passing exams. Your historic academic or professional results are used as a guide when shortlisting however we will also consider other factors such as experience, other qualifications and skills. As an indicator for the following qualifications we look for the following grades:-

AAT – Ideally a minimum of 5 GCSE’s (or equivalent) mostly at Grade A*-B / 9 – 5, including Maths and English and a minimum of 2 A Levels (or equivalent) grade A* - B

ACA / ACCA – Ideally a minimum of a 2:1 in your degree or equivalent, although the subject of your degree is not important. We also look for A/B grades at both GCSE and A Levels

How to Apply

To apply please click [here](#) which after a short registration will allow you to let us know a few details about yourself and to attach your CV.
