

Rural Chartered Surveyor – Northamptonshire

Davies & Co is a specialist agricultural, rural planning consultancy providing advice in respect of planning applications, appeals and expert witness work across England and Wales, covering a very diverse range of enterprises and locations.

An opportunity has arisen for an ambitious Chartered Surveyor (Graduates with experience would be considered) to assist in all areas of work in agricultural, rural diversification, agency and a wide range of professional work. The successful candidate can expect career progression if they deliver success and business growth.

Commensurate salary package and full training given for RICS APC.

The ability to communicate at all levels, be a team player, full driving licence and car owner and possess excellent IT skills. Ability to work under pressure and to tight deadlines is also required, to take over existing workload currently in place and develop new business and be capable of acting on own initiative.

For further information or a private and confidential discussion please contact Barry Davies on 07850 555026 or by email: barry@daviesandco.co.uk with your CV/application.
