## DETAIL

**We're now taking applications for 2022/23.**

Do you want to work as part of an enthusiastic, fun and knowledgeable team? We are a fast-growing, multi-award-winning business providing sustainable, higher welfare beef supply chain solutions.

As part of our 18-month Graduate Scheme, you will have opportunity to make your mark, both on your career and future of the Buitelaar Group. You'll be joining us at a very exciting time in our business development, within a period of strong growth and opportunity; you'll be given all the training and support you need to fast-track your way to a pivotal role within the business, whether that's in Management, Operations, Buying, Sales, Planning, Marketing or another area.

### The Role

We are looking for an outgoing, forward-thinking, driven and trustworthy graduate with excellent communication skills and a passion for agriculture. This is a great opportunity to join and work within an entrepreneurial company and benefit from intensive training across a variety of business placements. Our graduate programme offers:

- Extensive office & field-based training
- Exposure to all business areas including our meat sales & pet food divisions
- Responsibility & ownership of projects
- Access to and support from Senior Management
- A designated mentor to support you in your role
- Opportunity to voice your ideas & run with them if they're right for us
- A fun, social working environment within a great team
- Travel opportunities
- Fast-track progression if you're up to the challenge

***We're big enough that there is plenty of opportunity for progression, but small enough that your voice will be heard!***

### **Our Training Programme includes:**

- A full business induction with experience in every area of the supply chain.
- Full office-based training in our Customer Care Centre.
- A variety of 2 - 6 month commercial placements across the business, including business development & projects, pet food and meat divisions.
- Assisting / Shadowing Senior Management with project work.
- Responsible for own commercial projects throughout each placement.

### **We're looking for:**

- A 2:1 degree
- A passion for agriculture
- A commercial interest & awareness
- Forward-thinking and open-minded
- Reliable, trustworthy & a team player
- Shows initiative with problem solving skills
- Exceptional organisational and time management skills
- Exceptional communications, with a high attention to detail

It is essential that you have the same drive, enthusiasm, reliability and self-starting attitude that makes the business the market leader that it is.
