

Are you looking for an opportunity to develop your farm management career within a forward thinking, innovative farming business? Then look no further, our **Farm Management Training Scheme** could be perfect for you!

G's are one of Europe's leading fresh produce suppliers, employing over 9,500 employees across the business in countries including UK, Spain, Poland, Czech, West Africa and USA. Across the business we farm over **13,000 hectares**, which produces over **1.2 billion** packs of product a year and generates an annual turnover of over **£550 million**.

We are looking for **talented** and **enthusiastic** people to join our business on the **Farm Management Training Scheme**.

Our Farm Management Trainees are offered permanent jobs from the start of the scheme, you will be placed in four six- month placements across the first 2 years of employment. Year 1 will focus on the introduction to farming, people management and supervision. Year 2 is a step up in responsibility and the time where you start to get real involvement in everyday farming and management. At the end of the 2 years, we will work with you to find a role that best suits you, and the business.

#### ***So, what's in it for you?***

- Salary £33,000
- Professional Training
- Social Education Events & Development
- Support and mentoring
- International experience
- Part of a wider cohort of Graduates and Apprentices
- Subsidised Accommodation - Living with other graduates and placement students

#### ***What are we looking for?***

- A genuine interest in farming, management, innovation and the fresh produce industry
- Ambition to lead people and teams
- Excellent communication skills at all levels
- The capacity to problem solve and have a can-do attitude
- Ability to work as a team and on your own initiative
- Farming and tractor driving experience
- Driving licence is a must, having your own car would be preferable as our sites are quite remote
- Willingness to travel and relocate if necessary, our farms are based in Cambridgeshire & Norfolk
- Ideally you'll have an agricultural degree or similar qualification, but if you don't and you have the drive and passion for farm management we'd love to hear from you so please apply!

To start the journey to becoming our next Farming Management Graduate please visit our website [www.gs-fresh.com](http://www.gs-fresh.com) to apply and complete the application form.

Assessments will be held in March 2023 in our site near Ely, Cambridgeshire.
