

Agricultural Sprayer Operators – Seasonal Positions Available

Do you have a Class C UK Licence and want to escape a UK winter for a New Zealand Summer??

Molloy Agriculture Limited is an agriculture company based in Methven, Mid-Canterbury, New Zealand. We operate a modern fleet of Bateman Sprayers as well as Isuzu and Mercedes Spray Trucks. We provide our clients with a specialised service, spraying a diverse range of pasture, processed and arable crops.

We are currently seeking expressions of interest for experienced machine operators to join our professional spraying team from 1 October 2023 – 29 February 2024.

A Class C UK Licence would be required.

Please email your expression of interest together with a copy of your CV to:
