

TRAINEE FARM BUSINESS CONSULTANT

GSC Grays 2024 Graduate Intake

GSC Grays are a multi-disciplinary professional service firm covering the North of England. Our Chartered Surveyors, Farm Business Consultants, Planning and Development Professionals, Valuers, Environmental Specialists and Estate Agents provide a full range of services for our rural client base.

Due to the continued growth of the business, we are looking to recruit Trainee Farm Consultants to join our Farm Business Consultancy Departments at Alnwick, Boroughbridge, Chester-le-Street, Colburn, Driffield and Kirkby Lonsdale.

This is an excellent opportunity for graduate students seeking a career within the rural sector whilst also making a meaningful contribution to the growth and development of an expanding business. Commitment and hard work will be rewarded.

THE ROLE

The roles will be to work as part of a dynamic team and will require someone who is hard working and personable. You must be comfortable with a relatively high degree of autonomy and capable of completing work on time and to the highest of standards. The opportunities offer a mix of challenging and rewarding professional work on behalf of private clients which will encompass a broad range of competencies.

The successful candidates will be involved in a diverse range of work for farming clients including Farm Management, Farm Business Reviews including the preparation of budgets and cashflows, Contract Farming and Share Farming Agreements, Basic Payment, Environmental Stewardship and Cross Compliance advice. In addition, the expectation is that each consultant will have an opportunity to develop a technical specialism in areas such as dairy, beef & sheep or the environment.

FURTHER INFORMATION

The salary will be competitive, and candidates will be expected to start in summer 2024.

The company has a strong commitment to the training of its staff which will complement the broad experience offered.

The successful candidate is expected to have a mix of professional interests and a sound understanding of agriculture and the countryside.

APPLICATION PROCESS

Please apply via the company website, linked below. Alternatively email a copy of your CV and a covering letter to Lilly Yuill, HR & Recruitment Manager on HR@gscgrays.co.uk.
