Placement Description

RH & RW Clutton land management placements provide you with the chance to gain real work experience in the rural property industry in preparation for future graduate roles. During the placement, you will experience a wide range of rural professional work in our busy Land Management team.

RH & RW Clutton is a well-established and highly respected multi-disciplinary independent property consultancy in East Grinstead, West Sussex. We have been advising clients on Rural Estate Management and Land Agency matters since 1743. Our rural estate team provides rural property management services for a wide variety of management and general practice clients, including private landowners, trusts, farmers, the public sector and corporate owners throughout the South-East.

Our placements are an ideal way to gain an in-depth exposure to a wide range of rural property activities and projects where you will benefit from a hands-on experience with a diverse range of clients working with a friendly and experienced team.

The Placement

We are seeking an enthusiastic, self-motivated and well-organised student to join our Land Management team. The Placement will offer an opportunity to be involved in all aspects of rural surveying including:

- Estate management
- Rural consultancy
- Landlord and Tenant related issues
- Valuation and diversification of farm and estate assets
- Advising on legal and tax issues
- Planning and developing land use
- Sales and acquisitions
- General professional advice for rural clients

This is an exciting opportunity for a motivated candidate wanting a diverse and stimulating placement with plenty of opportunities to work independently and gain confidence with expert supervision always on hand.

Requirements

- Currently working towards an RICS accredited degree
- A rural background or an understanding of rural matters

- Good communication skills, self-confidence and an ability to deal with issues in a professional manner
- Full UK driving licence and own vehicle
- Capable of building and maintaining good relationships with people
- A team player who is also able to work independently

Benefits

- Competitive salary
- Gain real life work experience
- Training supervision from an APC Assessor
- Subscriptions paid for RICS and any other relevant bodies
- Meet and work with a broad range of clients
- Opportunity to work for a supportive and friendly company
- Free accommodation available
