

Graduate Chartered Surveyor – offering RICS qualification for September 2025

Each year, we select graduates and apprentices whom we believe have the potential to excel at Whirledge & Nott. Applications are now open for ambitious graduates seeking a real estate and rural land management career for **September 2025**.

If you have an RICS-accredited degree, we offer full on-the-job training to help you become accredited in less than 3 years. We also provide additional training for your personal development. We consider applications from exceptional graduates from other fields who are dedicated to a career at Whirledge & Nott.

Benefits:

£25,000 pa plus: company bonus, RICS qualification, progression, 20-days holiday + bank holidays.

Whirledge & Nott is a regional firm of chartered surveyors with 13 Directors/Associate Directors and a total of 30 employees across two offices. Established in 1988, we are leading property consultants in Essex, maintaining high professional standards and offering specialist advice to owners and occupiers of land and property. We specialise in the following areas:

- Land Development
- Land and estate agency
- Rural property advice
- Planning
- Property and estate management
- Letting commercial and residential buildings
- Valuations
- Infrastructure projects
- Renewable projects
- Environmental schemes and biodiversity net gain
- Dispute resolution

Embarking on a career as a surveyor with Whirledge & Nott ensures an exceptional professional journey filled with excellent opportunities. You will have the opportunity to work closely with our directors, who are experts in their respective fields. You will receive guidance and support through the APC qualification from a designated mentor to help you achieve your chosen competencies and qualify as a chartered surveyor. You will also be paired with a graduate 'buddy' to further support your professional growth.

Whirledge & Nott:

- competitive rates of pay;

- provide you with outstanding structured training in a friendly and supportive working environment; and
- pay your RICS fees and for you to attend relevant training courses.

How to Apply

If you wish to apply please send your CV, together with a formal letter of application outlining your career aspirations to Caroline Homewood at c.homewood@whirledgeandnott.co.uk quoting reference: **AG5539/Graduate 2025**.
